Comins' Senate bill 123—Relative to segregating a portion of Nye county and annexing the same to White Pine county.

Creswell desired to have action delayed until certain petitions and statements could reach him from that part of Nye.

Comins objected to such delay so near the end of the session.

Creswell made a clear and exhaustive statement for his petitioning constituents.

Comins maintained that the majority of the citizens living in the contested territory desired the segregation, and their often repeated petition should be heeded.

Bill refused engrossment.

Comins gave notice of reconsideration.

Doolin's Senate bill 98—To amend the Act relative to fees and compensations. Made special order for to-morrow at 2 p. m.

Cassidy moved to take up Senate bill 2, fixing the rate of taxation. Carried, and the bill read.

Comins moved to amend by making the rate 60 cents instead of 55, as agreed upon in Committee on Ways and Means.

Cassidy opposed the amendment as did Meder, who moved to amend by making it 50 cents.

Creswell favored the last amendment and substantiated his argument with statistics.

Comins based his opposition upon the request of the present financial officers.

Powning had estimated upon this proposition and thought the rate should be even lower if possible.

Amendment to the amendment lost. Original amendment then lost, and bill passed as recommended from the committee by unanimous vote.

THE FLORENCE COMING.

It is with great pleasure that we make the announcement that Mr. and Mrs. J. Florence, the renowned actors, will appear at the Carson Opera House on the evenings of Monday and Tuesday, March 17 and 18. The plays in which these very clever artists will present themselves are "The Mighty Dollar" and "No Thoroughfare." The announcement is quite enough to secure a good house and a most hearty welcome.

THE NEWEST FASHION PLATE AT BOSKO'S.

It is a fact which will interest folks who like to dress well (in male attire) that at Bosko's One Price Clothing store is to be found the very newest fashion plate for the Spring of 1879.

MUSIC.—Messrs. Sherman, Hyde & Co., San Francisco, have sent us a charming song and chorus entitled, "Breathe Them Once Again," by D. S. Hakes. The song is so easy that a child can play it, and so pretty that everybody will want it. The key is B flat. Price 35 cents.

THE BIG DOLLAR.—The employees of the Carson Mint are now receiving a large portion of their salaries in standard silver dollars. These coins are, after all, not ill-looking, and our tradesmen take them in with as much relish and glee as could be wished for.

PERSONAL.—Mr. Charles Merrifield, for many years deputy surveyor of San Francisco county, a position he still fills with much ability, is in the city on a visit with his friend Mr. Grant Israel, of Virginia city.

ALWAYS AHEAD.

Instead of waiting for the turn of the season before getting new goods, we take pleasure in informing our patrons that we have just received a Complete New Stock of Dress Goods and exquisite Fancy Goods which we offer at such remarkably low prices that they would induce the most stingy father and husband to dive down for his bottom dollar.

We have received a consignment of One Hundred Crock with positive instructions to close them out at any price, and we will do it. MRS. J. SHEYER & CO. Carson, January 28, 1879. d30
